Transportation rates to other stations in Kazakhstan, Uzbekistan, Kyrgyzstan must be separately agreed with the operator and rates are available upon request.

Services, the cost of which is included in the above rates:

- The use of railway platforms for transportation;
- The use of railway platform / container for loading / unloading of up to 24 hours;
- Container tracking and reporting once a day;
- Container transportation by rail on the specified route on the conditions FOR-FOR.
- Forwarder's commission

Additional paid services:

- Supply of containers;
- Forwarding service at port of Klaipeda (customs procedures, preparation of transport documents);
- Terminal charges and operations at any station, port or terminal;
- Additional fees charged by the railway administrations, if any (convoy fee and etc.)

Rates are valid for transport of general cargoes in dry containers only and are not valid for tank containers and reefer containers. Rates for 20' containers are valid only if full set of containers is loaded on a platform.

Please request the rates additionally for transport of following cargoes:

- Hazardous cargoes;
- Household things (GNG 990100, ETSNG 691);
- Metals (284046, 28045090, 28049, 28054, 32121, 7106-7115, 7115, 7202, (except 7501), 7600 (except 7615), 7800, 7900, 8000, 8100 (except 81052), 8302, 83079, 8309, 8311, 8548)

Rates are valid till 31.08.2018
